# Nothing is more important

## THAN YOUR WELL-BEING BEFORE, DURING *AND AFTER* BREAST SURGERY

At Mentor, we pride ourselves in the development of medical products based on the finest science, research and manufacturing. And we stand behind those products with Limited Warranties that give patients the confidence that they and their physicians have made the right choice.

### Mentor was the *first company* to offer patients a limited warranty on all our breast implants

With a strong belief in the long-term integrity of our products, it's easy for us to stand behind them. That's why all Mentor breast implants come with a Lifetime Product Replacement Policy at no additional charge. In addition, once you receive Mentor breast implants, you are automatically enrolled in the Mentor Advantage Limited Warranty.

### The first step: Become informed

**Learn about saline-filled breast implants and financial assistance\*\* available through the Mentor Limited Warranties.**

Please read this patient brochure: *Saline-Filled breast implant Surgery: Making an informed Decision*. This educational brochure provides you with information about the risks and benefits of saline breast implants. It is very important that you take the time to read and fully understand the brochure, consult with your surgeon, and ask any questions you may have.

\*\*Financial assistance does not imply a loan to the patient.

## WHY IS A WARRANTY SO IMPORTANT?

### Our saline-filled breast implant guarantee

All recipients of saline-filled breast implants are automatically eligible for the Mentor Lifetime Product Replacement Policy.

What this means to you is that should a confirmed deflation occur, you are eligible for one to two replacement breast implants of any size in a similar style...at no charge.

### The Mentor Standard Advantage (\$1,200 toward out-of-pocket costs)

This warranty is **free of charge** to all patients who are implanted with Mentor saline-filled implant products. And here are the details:

- 🕒 Lifetime product replacement policy\*
- 🕒 For 10 years, and up to \$1,200 financial assistance for operating room, anesthesia, and surgical charges not covered by insurance\*\*
- 🕒 Free contralateral (opposite side) implant replacement upon surgeon request
- 🕒 Non-cancelable terms

### The *OPTIONAL* Mentor Enhanced Advantage (\$2,400 toward out-of-pocket costs)

This optional warranty is available for saline-filled breast implant products and, to be eligible, must be purchased for an enrollment **fee of \$100 within 45 days** from implantation.\*\*\* The Enhanced Advantage replaces the Mentor Standard Advantage allowing for a total financial reimbursement of up to \$2,400. Here's what's included:

- 🕒 Lifetime product replacement policy\*
- 🕒 For 10 years, and up to \$2,400 financial assistance for operating room, anesthesia, and surgical charges not covered by insurance\*\*
- 🕒 Free contralateral (opposite side) implant replacement upon surgeon request
- 🕒 Non-cancelable terms

**A SPECIAL NOTE:** For both Mentor Standard Advantage and Mentor Enhanced Advantage, please be sure to maintain your own records to ensure validation of your enrollment, as it is possible your doctor may not retain your records for the entire duration of the warranty.

**\*Lifetime Product Replacement Policy:** Mentor will provide replacement of a Mentor product of any size in the same or similar style as the originally implanted product free of charge for the lifetime of the patient. Upon the surgeon's request, a different implant style may be selected (subject to a charge of the difference between product list prices).

\*\*Operating room and anesthesia charges to be given payment priority. In order to qualify for financial assistance, you will need to sign a Release Form.

\*\*\*One warranty payout per enrollment fee; enrollment in the program for replacement device will require additional \$100 enrollment fee.
